

Halloween 2020

Trick or treat! Trick or treat!
Used to be so innocent and sweet.
Now the sound of ding ding ding!
Or a knock knock knock!
Has people locking up!
Now all there's to do is cleaning up!
No sharing a meal!
No playing in the streets!
Or hugging a neighbor.
You must act like everyone's a stranger!
Halloween is far away.
But this year it will be different.
No candy and parading.
Corona sure is frustrating.
